

ZERO TOUCH ROOM

As the workforce worldwide prepares to come back to working in the offices, there are plenty of new norms that we have to watch out under the "new normal."

Vega introduces **Crestron's Touch-Free Technologies** that transform your traditional meeting room into a touchless one with minimum investment.

Keeping Safe Distance with Zero Touch Room

AirMedia 200

Wireless presentation from personal devices

PoE Occupancy Sensor

- Sensors to automate rooms
- Use the room for meeting with zero-touch

Room Booking Panel

Clear visual indication of events outside the space at a distance
